### Our Mission

Realizing how important the early years are in your child's development, Emmanuel Presbyterian Church offers a quality preschool experience. Bothell Community Preschool is sponsored as a ministry of the church. Our main goals are:

- ★ To serve the families of the Bothell community by providing an inviting, caring, non discriminatory, developmentally appropriate preschool learning environment for children ages 2 ½ to 5 regardless of religious affiliation.
- ★ To support the positive development of the whole child in all areas – intellectual, social, physical, emotional, and spiritual, gently nurturing an awareness of the Loving Creator. Basic to this are a consideration for and love for others.
- ★ To help each child to become the best he or she can be, by building self-esteem and confidence through anti-bias activities and experiences that develop language and social skills, small and large motor development and encourage creativity. The following age appropriate activities achieve a success oriented environment:

- Creative Play:** art, music, dance, sensory, dramatic play, carpentry, block building
- Active Play on:** climbers, slides, balance beams, parachute fun, sandbox
- Quiet Experiences with:** books, games, puzzles, table toys, science, beginning math and reading activities, self help and listening skills, small groups, circle times
