Our Mission

Realizing how important the early years are in your child's development, Bothell Community Preschool, a mission of Emmanuel Presbyterian Church, offers a rich learning environment where children can have fun while they learn the skills they need to succeed.

Our experienced teachers provide a large variety of learning materials and hands-on experiences in a comfortable and caring environment where learning is part of the fun. With small class sizes and two teachers in each class, we are able to give the individual attention which results in a quality learning experience for your child.

We prepare children for Kindergarten and life beyond by teaching communication and problem solving skills. Academic skills are skillfully embedded in our self-guided educational materials, teacher-led games and classroom routines. Each day includes opportunities to learn through group and individual experiences. Learning centers include dramatic play, science, art, sensory, math/table toys, blocks, reading, music, dance, and outdoor play.

Call 425-381-7802 to schedule a tour and see our program in action.

Our Teachers

Our Lead Teachers each have a degree in Early Childhood Education as well as over 15 years of preschool teaching experience. Each class also has an experienced and well-qualified Teaching Assistant. We are a dedicated team of educators devoted to the development and success of each child in our program.
